## NEW YORK CITY AUDITIONS

Thanks so much for interest in auditioning for us in NYC. Following is information for your audition.

**The audition location is: Ripley Grier, 989 8<sup>th</sup> Avenue**

In our auditions this year, we'll have you sing a cutting of a song or two (standard show repertoire, or pop-rock-contemporary), and we may have you look at some dialogue from a show. You may sing from the shows, or not. Your choice. Either is fine with us. Director-choreographer Joshua Larson will conduct the dance auditions, and will be looking for general coordination from the singers and actors, and for highly developed jazz, tap, and ballet skills from the dancer-singer-actors. Let us know if you have any gymnastic / acrobatic skills in your bag of tricks, or play any musical instruments. Sheet music should be in the appropriate key. We'll have an excellent accompanist, but you may bring your own. No a capella singing or taped music, please. **Please bring a headshot and resumé with you to the audition.**

To be considered for our 2019 season, everyone needs to participate in the dance auditions and may come at any one of these times: **Saturday 3/16 at 1:00pm**

Each show rehearses for approximately two weeks prior to its opening night (with our first show likely to begin rehearsal around June 2). Rehearsals are held 9am to 6:15pm daily.

New York is the sixth of six audition cities, and casting decisions should be finalized by the middle of April. There will be some dramatic sides posted online soon, and you may peruse them if you wish in case we decide to ask you to read from them after you have sung for us.

If you have any questions, or need to reschedule, please feel free to contact our office, and talk to Nancy. You may email Nancy at [nancy@mtwichita.org](mailto:nancy@mtwichita.org). We're looking forward to spending time with you (rushed though it may be!).
