

THIS WINTER MAKE PLANS TO JOIN WAYNE BRYAN & NANCY REEVES FOR OUR ANNUAL TRIP TO VISIT NEW YORK CITY! PLANNED SHOWS ARE:

The ever-popular *Music Man* is receiving a star-studded revival on Broadway, with leading lady Sutton Foster and Hugh Jackman as Professor Harold Hill. Associate choreographer Sara Edwards is an MTWichita alum (and choreographer of our 2020 production of *Grease*).

Tina is a new musical featuring the music and life story of Tina Turner. Critics and audiences (and most importantly, Nancy!) have responded warmly to the show and its star, the luminous Adrienne Warren.

Following a successful run on the West End, a new revival of the classic Sondheim show *Company* features a twist. Here Bobby, the single man in his mid-30s, becomes Bobbie, a single woman. The delightful spin allows for featured roles for some of MTWichita's favorite alums and guest stars, including Javier Ignacio (2007 company member), Claybourne Elder (*Oklahoma!* 2016), and Stanley Bahorek (*Honk!*).

The trip is \$3250 (based on double occupancy) and includes:

3 great shows • Roundtrip airfare on Southwest Airlines

4 nights at the luxurious Millennium Broadway Hotel in the heart of Times Square
Breakfasts, dinners, & brunch • Tour guide Jim Dykes • All taxes & gratuities included

\$500 deposit required to hold the reservation; balance is due October 1, 2020
