

# CHILDREN'S AUDITIONS

Greetings!

Thanks so much for coming to today's auditions. We are very excited for all the Music Theatre Wichita and The Academy opportunities through the spring and summer.

Please fill out your audition form, emergency contact/conflict sheet, and measurement chart. There will be staff members to help you with measurements if you are unsure.

We will be auditioning you in groups of ten. Those that have signed up for specific slots ahead of time will get priority, but we will fit in everyone we possibly can. You will need to sing your own song selection. We have an excellent accompanist who will be assisting you. Please no recording or acapella singing. **Songs need to be under 30 seconds in length.**

You will learn a simple movement combination from our education team out in the lobby. You will do this movement all together when you come into the audition room.

**Performers from all ethnic backgrounds are encouraged to audition for all roles.**

**DO NOT SIGN UP FOR A SHOW IF YOU'LL BE OUT OF TOWN OR UNAVAILABLE!**
