

TEEN AUDITIONS

Greetings!

Thanks so much for coming to today's auditions. We are very excited for all the Music Theatre Wichita and The Academy opportunities through the spring and summer.

Please fill out your audition form, emergency contact/conflict sheet, and measurement chart. There will be staff members to help you with measurements if you are unsure.

You will sing at your pre-selected time: if you don't have a singing appointment, we will see you when we can. You are welcome to sing your own selection or the provided song. We have an excellent accompanist who will be assisting you. Please no recording or acapella singing. **Songs need to be under 45 seconds in length.**

Artistic Director Brian Marcum will be teaching the movement combinations and you are welcome to come to whichever movement call works best for your schedule. You must attend one call to be considered for the opportunities.
